

My name is Juraj Koval. I have rotated in the Division of General Surgery for 4 weeks. It was a very good experience for me. I saw a lot of new things. I liked it a lot and I recommend everybody to visit the Department of Surgery at AUH!

Juraj Koval

Faculty of Medicine, P.S. Safarik University of Kosice - Slovakia

July 1 – 31, 2005

Rotated in the Division of General vascular Surgery
