

I am all in all comfortable with my clerkship in the surgery department. The people there are open, helpful and everytime ready to explain. The only thing that disappointed me was the fact that I was not allowed to touch anything and to do something practical. Conclusion: good atmosphere, but not really instructive.

Clemens Schukro

MUW – Vienna

August 1-31, 2005

Rotated in the Divisions of Neurosurgery and General Surgery + Vascular
